ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 16, 2020

PROXY STATEMENT

GENERAL INFORMATION

This proxy statement is furnished to stockholders of The RealReal, Inc., a Delaware corporation (the “**Company**”), in connection with the solicitation of proxies by our board of directors for use at our 2020 annual meeting of stockholders to be held on June 16, 2020 (the “**Annual Meeting**”), and at any adjournment or postponement thereof. The Annual Meeting will be held at 9:00 a.m. Pacific Time at The Presidio Officer's Club, Ortega Ballroom, 50 Moraga Avenue, San Francisco, California 94129.

As permitted by the rules of the Securities and Exchange Commission (the “**SEC**”), we are making this proxy statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2019 available to our stockholders electronically via the Internet at www.proxyvote.com. On or about April 29, 2020, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials (“**Internet Notice**”), containing instructions on how to access this proxy statement and vote online or by telephone. If you received an Internet Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request them pursuant to the instructions provided in the Internet Notice. The Internet Notice instructs you on how to access and review all of the important information contained in this proxy statement.

We are an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012 (the “**JOBS Act**”). Because we are an emerging growth company, we are not required to include a Compensation Discussion and Analysis section in this proxy statement and have elected to comply with the scaled-down executive compensation disclosure requirements applicable to emerging growth companies. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which votes must be conducted.

We intend to hold our Annual Meeting in person. However, we are actively monitoring the public health and travel concerns of our stockholders and employees in light of COVID-19 (Coronavirus), as well as the related protocols that federal, state and local governments may impose. As part of our precautions, we are considering the possibility of holding a virtual meeting by means of remote communication. We will announce any alternative arrangements for the Annual Meeting as promptly as practicable.

THE INFORMATION PROVIDED IN THE “QUESTION S AND ANSWER S ” FORMAT BELOW IS FOR YOUR CONVENIENCE AND INCLUDES ONLY A SUMMARY OF CERTAIN INFORMATION CONTAINED IN THIS PROXY STATEMENT. YOU SHOULD READ THIS ENTIRE PROXY STATEMENT CAREFULLY.

QUESTIONS AND ANSWERS

Why am I receiving these materials?

We are distributing our proxy materials because our board of directors is soliciting your proxy to vote at the Annual Meeting. This proxy statement summarizes the information you need to vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares.

Pursuant to SEC rules, we are providing access to our proxy materials via the Internet. Accordingly, we are sending an Internet Notice to all of our stockholders as of the record date. All stockholders may access our proxy materials on the website referred to in the Internet Notice. You may also request to receive a printed set of the proxy materials. You can find instructions regarding how to access our proxy materials via the Internet and how to request a printed copy in the Internet Notice. Additionally, by following the instructions in the Internet Notice, you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. We believe that these rules allow us to provide our stockholders with the information they need while lowering the costs of delivery and reducing the environmental impact of the Annual Meeting.

What proposals will be voted on at the Annual Meeting?

Stockholders will vote on two proposals at the Annual Meeting:

- the election of one Class I director named in this proxy statement; and
- the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020.

We will also consider other business, if any, that properly comes before the Annual Meeting.

What happens if other business not discussed in this proxy statement comes before the meeting?

The Company does not know of any business to be presented at the Annual Meeting other than the proposals discussed in this proxy statement. If other business comes before the meeting and is proper under our Amended and Restated Certificate of Incorporation, Amended and Restated Bylaws, and Delaware law, the Company representatives will use their discretion in casting all of the votes that they are entitled to cast.

How does the board of directors recommend that stockholders vote on the proposals?

Our board of directors recommends that stockholders vote “ **FOR** ” the election of the Class I director and “ **FOR** ” the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020.

Who is en titled to vote?

The record date for the Annual Meeting is the close of business on April 20, 2020. As of the record date, 86,857,910 shares of common stock, par value \$0.00001 per share, were outstanding. Only holders of record of our common stock as of the record date will be entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. Each stockholder is entitled to one vote for each share of our common stock held by such stockholder on the record date.

What do I need for admission to the Annual Meeting ?

Admittance is limited to stockholders of the Company. If you are the stockholder of record, your name will be verified against the list of stockholders prior to your admittance to the Annual Meeting. You should be prepared to present photo identification for admission at the Annual Meeting. If you hold your shares in street name, you should provide proof of beneficial ownership on the record date, such as a brokerage account statement showing that you owned shares of common stock of the Company as of the record date, a copy of the voting instruction card provided by your broker, bank or other nominee or other similar evidence of ownership as of the record date, as well as your photo identification, for your admission. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the Annual Meeting. Please note that if your shares are held of record by a bank, broker or other nominee, and you decide to attend the Annual Meeting, you may not vote in person at the Annual Meeting unless you present a legal proxy, issued in your name from the record holder (your bank, broker or other nominee).

How can I vote my shares without attending the Annual Meeting?

If you are a holder of record of shares of common stock of the Company, you may direct your vote without attending the Annual Meeting by following the instructions on the Internet Notice or proxy card to vote by Internet or by telephone, or by signing, dating and mailing a proxy card.

If you hold your shares in street name via a broker, bank or other nominee, you may direct your vote without attending the Annual Meeting by signing, dating and mailing your voting instruction card. Internet or telephonic voting may also be available. Please see your voting instruction card provided by your broker, bank or other nominee for further details.

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time before it is voted at the Annual Meeting. If you are a stockholder of record, you may change your vote or revoke your proxy by:

- delivering to the attention of the Corporate Secretary at the address on the first page of this proxy statement a written notice of revocation of your proxy;
- delivering to us an authorized proxy bearing a later date (including a proxy over the Internet or by telephone); or
- attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

If your shares are held in the name of a bank, broker or other nominee, you may change your vote by submitting new voting instructions to your bank, broker or other nominee. Please note that if your shares are held of record by a bank, broker or other nominee, and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from the record holder (your bank, broker or other nominee).

What is a broker non-vote?

Brokers, banks or other nominees holding shares on behalf of a beneficial owner may vote those shares in their discretion on certain “routine” matters even if they do not receive timely voting instructions from the beneficial owner. With respect to “non-routine” matters, the broker, bank or other nominee is not permitted to vote shares for a beneficial owner without timely received voting instructions. The only routine matter to be presented at the Annual Meeting is the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020 (Proposal Two). The election of the Class I director (Proposal One) is a non-routine matter.

A broker non-vote occurs when a broker, bank or other nominee does not vote on a non-routine matter because the beneficial owner of such shares has not provided voting instructions with regard to such matter. If a broker, bank or other nominee exercise their discretionary voting authority on Proposal Two, such shares will be considered present at the Annual Meeting for quorum purposes and broker non-votes will occur as to Proposal One, or any other non-routine matters that are properly presented at the Annual Meeting. Broker non-votes will have no impact on the voting results.

What constitutes a quorum?

The presence at the Annual Meeting, either in person or by proxy, of holders of a majority of the aggregate number of shares of our issued and outstanding common stock entitled to vote thereat as of the record date shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining whether a quorum is present at the Annual Meeting.

What vote is required to approve each matter to be considered at the Annual Meeting?

Proposal One: Election of the Class I Director Named in this Proxy Statement.

Our Amended and Restated Bylaws provide for a plurality voting standard for the election of directors. This means that the director nominee with the most votes for a particular seat is elected for that seat. An abstention or a broker non-vote on Proposal One will not have any effect on the election of the director.

Proposal Two: Ratification of the Appointment of KPMG LLP as Our Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2020.

The affirmative vote of the majority of our shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the approval of Proposal Two. An abstention on Proposal Two will have the same effect as a vote “ **AGAINST** ” Proposal Two. Brokers will have discretionary authority to vote on this proposal. Accordingly, there will not be any broker non-votes on Proposal Two.

What is the deadline for submitting a proxy?

To ensure that proxies are received in time to be counted prior to the Annual Meeting, proxies submitted by Internet or by telephone should be received by 11:59 p.m. Pacific Time on the day before the Annual Meeting, and proxies submitted by mail should be received by the close of business on the day prior to the date of the Annual Meeting.

What does it mean if I receive more than one Internet Notice or proxy card?

If you hold your shares in more than one account, you will receive an Internet Notice or proxy card for each account. To ensure that all of your shares are voted, please complete, sign, date and return a proxy card for each account or use the Internet Notice or proxy card for each account to vote by Internet or by telephone. To ensure that all of your shares are represented at the Annual Meeting, we recommend that you vote every Internet Notice or proxy card that you receive.

How will my shares be voted if I return a blank proxy card or a blank voting instruction card?

If you are a holder of record of our common stock and you sign and return a proxy card or otherwise submit a proxy without giving specific voting instructions, your shares will be voted:

- “ **FOR** ” the election of the Class I nominee for director named in this proxy statement; and
- “ **FOR** ” the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020.

If you hold your shares in street name via a broker, bank or other nominee and do not provide the broker, bank or other nominee with voting instructions (including by signing and returning a blank voting instruction card), your shares:

- will be counted as present for purposes of establishing a quorum;
- will be voted in accordance with the broker's, bank's or other nominee's discretion on "routine" matters, which includes only the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020 (Proposal Two); and
- will not be counted in connection with the election of the Class I director named in this proxy statement (Proposal One), or any other non-routine matters that are properly presented at the Annual Meeting. For each of these proposals, your shares will be treated as "broker non-votes." A broker non-vote will have no impact on voting results.

Our board of directors knows of no matter to be presented at the Annual Meeting other than Proposals One and Two. If any other matters properly come before the Annual Meeting upon which a vote properly may be taken, shares represented by all proxies received by us will be voted with respect thereto as permitted and in accordance with the judgment of the proxy holders.

Who is making this solicitation and who will pay the expenses?

This proxy solicitation is being made on behalf of our board of directors. All expenses of the solicitation, including the cost of preparing and mailing the Internet Notice or this proxy statement, will be borne by the Company.

Will a stockholder list be available for inspection?

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and, for 10 days prior to the Annual Meeting, at The RealReal, Inc., 55 Francisco Street, Suite 600, San Francisco, California 94133 between the hours of 9:00 a.m. and 5:00 p.m. Pacific Time.

What is "householding" and how does it affect me?

We have adopted a procedure approved by the SEC, called "householding." Under this procedure, we send only one proxy statement and one annual report to eligible stockholders who share a single address, unless we have received instructions to the contrary from any stockholder at that address. This practice is designed to eliminate duplicate mailings, conserve natural resources and reduce our printing and mailing costs. Stockholders who participate in householding will continue to receive separate proxy cards.

If you share an address with another stockholder and receive only one set of proxy materials but would like to request a separate copy of these materials, please contact our mailing agent, Broadridge Financial Solutions, Inc. by calling 1-866-540-7095 or writing to 51 Mercedes Way, Edgewood, New York 11717, Attention: Household Department and an additional copy of proxy materials will be promptly delivered to you. Similarly, if you receive multiple copies of the proxy materials and would prefer to receive a single copy in the future, you may also contact Broadridge Financial Solutions, Inc. at the above telephone number or address. If you own shares through a bank, broker, or other nominee, you should contact the nominee concerning householding procedures.

How can I find out the results of the voting at the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting.

When are stock holder proposals due for next year's annual meeting of the stock holders?

Our stockholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of our Amended and Restated Certificate of Incorporation, our Amended and Restated Bylaws, and the rules established by the SEC.

Under Rule 14a-8 under the Securities Exchange Act of 1934 (the “**Exchange Act**”), if you want us to include a proposal in the proxy materials for our 2021 annual meeting of stockholders, we must receive the proposal at our executive offices at 55 Francisco Street, Suite 600, San Francisco, California 94133, no later than December 30, 2020.

Pursuant to our Amended and Restated Bylaws, a stockholder proposal of business submitted outside of the process established in Rule 14a-8 and nominations of directors must be received no earlier than February 16, 2021 and not later than March 18, 2021 and must otherwise comply with the requirements set forth in our Amended and Restated Bylaws. Any proposal or nomination should be addressed to the attention of our Corporate Secretary, and we suggest that it be sent by certified mail, return receipt requested.

Whom can I contact for further information?

If you would like additional copies, without charge, of this proxy statement or if you have questions about the Annual Meeting, the proposals, or the procedures for voting your shares, you should contact our Corporate Secretary at 55 Francisco Street, Suite 600, San Francisco, California 94133 or by telephone at (855) 435-5893 .

Recommendation of Our Board of Directors

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE “FOR” THE ELECTION OF THE CLASS I BOARD NOMINEE NAMED ABOVE.

Classified Board of Directors

Our board of directors is divided into three classes of directors that serve staggered three-year terms. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then expiring. As a result, only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms.

Each director's term continues until the election and qualification of his or her successor, or his or her earlier death, resignation or removal. Our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws authorize only our board of directors to fill vacancies on our board of directors. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. This classification of our board of directors may have the effect of delaying or preventing changes in control of our company.

Director Independence

Our common stock is listed on The Nasdaq Global Select Market. Under the rules of Nasdaq, independent directors must comprise a majority of a listed company's board of directors. In addition, the rules of Nasdaq require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and corporate governance committees be independent. Under the rules of Nasdaq, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Additionally, compensation committee members must not have a relationship with us that is material to the director's ability to be independent from management in connection with the duties of a compensation committee member.

Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries; or be an affiliated person of the listed company or any of its subsidiaries.

Our board of directors has undertaken a review of the independence of each director and considered whether each director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our board of directors determined that, with the exception of our Chief Executive Officer, Julie Wainwright, each member of our board of directors is an "independent director" as defined under the applicable rules and regulations of the SEC and the listing requirements and rules of Nasdaq. In making these determinations, our board of directors reviewed and discussed information provided by the directors and by us with regard to each director's business and personal activities and relationships as they may relate to us and our management, including the beneficial ownership of our common stock by each non-employee director and the transactions involving them described in the section titled "Certain Relationships and Related Party Transactions."

Board Leadership Structure

Our corporate governance guidelines provide that the roles of chair of the board and chief executive officer may be separated or combined. In the event that the roles are combined, our corporate governance guidelines provide for the naming of a Lead Independent Director. Our board of directors has appointed Michael Kumin to serve as our Lead Independent Director. As Lead Independent Director, Mr. Kumin will preside over periodic meetings of our independent directors, serve as liaison between the chair of our board of directors and the independent directors and perform such additional duties as our board of directors may otherwise determine and delegate.

Role of the Board in Risk Oversight

One of the key functions of our board of directors is informed oversight of our risk management process. The board of directors does not have a standing risk management committee, but rather administers this oversight function directly through the board of directors as a whole, as well as through its standing committees that address risks inherent in their respective areas of oversight. In particular, our board of directors is responsible for monitoring and assessing strategic risk exposure. Our audit committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The audit committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our external audit function. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

In connection with the onset of the COVID-19 pandemic, the board of directors has been receiving updates on the Company's management of the COVID-19 crisis and discussing such updates, including with regard to the Company's operations, financial position and liquidity, communications strategy and employee matters, health and safety, among other items.

Environmental, Social, Governance (ESG) Oversight and Highlights

We are committed to conducting business in an environmentally sustainable and socially responsible manner, and to managing the risks and opportunities that arise from environmental, social and governance (ESG) issues. We believe that operating in a socially responsible and sustainable manner will drive long-term value creation for our company and its stockholders.

In 2019, the Company launched a new initiative to enhance ESG policies and disclosures informed by the Sustainability Accounting Standards Board (SASB) industry-specific disclosure guidelines. Our management recently reviewed and updated various ESG policies and processes, which can be located on the investor relations page of our website at <https://investor.therealreal.com/social-impact>.

The Nominating and Corporate Governance Committee will be responsible for overseeing the Company's ESG processes, policies, and performance, and making recommendations to the full board of directors. To satisfy these oversight responsibilities, the Nominating and Corporate Governance Committee will receive regular updates from management on progress and strategy.

Recent enhancements include the following: Environmental Management System (EMS), Human Rights Policy, Climate Change Policy, Diversity and Inclusion Policy, Environmental Policy, Energy, Water, Waste Policy, GHG Emissions and ESG Performance Metrics.

Evaluations of the Board of Directors

The board of directors evaluates its performance and the performance of its committees and individual directors on an annual basis through an evaluation process administered by our nominating and corporate governance committee. The board of directors discusses each evaluation to determine what, if any, actions should be taken to improve the effectiveness of the board of directors or any committee thereof or of the directors.

Meetings of the Board of Directors

Our board of directors held six meetings during the year ended December 31, 2019. During 2019, each person currently serving as a director attended at least 75% of the aggregate of the total number of meetings of the board of directors and each committee of which he was a member. Each director is also encouraged and expected to attend the Company's Annual Meeting.

Board Committees

Our board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee. The composition and responsibilities of each of the committees of our board of directors are described below. Our nominating and corporate governance committee operates under a written charter that satisfies the applicable Nasdaq listing standards.

In the process of identifying, screening and recommending director candidates to the full board of directors, our nominating and corporate governance committee takes into consideration the needs of the board of directors and the qualifications of the candidates, such as their general understanding of various business disciplines and the Company's business environment, their educational and professional background, analytical ability, independence, diversity of experience and viewpoints, and their willingness to devote adequate time to board of directors duties. The board of directors evaluates each individual in the context of the board of directors as a whole with the objective of retaining a group that is best equipped to help ensure that the long-term interests of the stockholders are served. When searching for new directors, the nominating and corporate governance committee will actively seek out women and individuals from minority groups to include in the pool from which nominees for the board of directors are chosen. The nominating and corporate governance committee will consider director candidates recommended by stockholders on the same basis that it evaluates other nominees for director.

Corporate Governance Guidelines

Our board of directors has adopted corporate governance guidelines, which provide the framework for our corporate governance along with our Amended and Restated Certificate of Incorporation, Amended and Restated Bylaws, committee charters and other key governance practices and policies. Our corporate governance guidelines cover a wide range of subjects, including the conduct of board meetings, independence and selection of directors, board membership criteria, and board committee composition.

Code of Ethics and Business Conduct

Our board of directors has adopted a code of ethics and business conduct, which establishes the standards of ethical conduct applicable to all of our directors, officers, employees and senior financial officers. A copy of our code of conduct is posted on the investor relations page of our website at <https://investor.therealreal.com>. In addition, we intend to post on our website all disclosures that are required by law or the Nasdaq listing standards concerning any amendments to, or waivers from, any provision of the code. The information in or accessible through our website is not incorporated into, and is not considered part of, this proxy statement.

Stock Ownership by Directors

Our board of directors believes that an ownership stake in the Company strengthens the alignment of interests between directors and stockholders. Accordingly, each director is required to own common stock (or equivalents) having a value of at least five times the annual retainer fee, within five years of becoming a director. In the event that the annual retainer fee is increased, directors will have one year to meet the new ownership guidelines. Our board of directors will evaluate whether exceptions should be made for any director on whom these guidelines would impose a financial hardship.

Prohibition on Hedging and Pledging of Company Securities

The Company has a policy that prohibits officers, directors and employees from engaging in hedging transactions, such as the purchase or sale of puts or calls, or the use of any other derivative instruments. Officers, directors and employees of the Company are also prohibited from holding Company securities in a margin account or pledging Company securities as collateral for a loan without the approval of the board of directors. In 2019, the board of directors approved the pledge of shares of common stock as collateral to secure personal indebtedness by Julie Wainwright. The indebtedness to which this pledge relates contains customary terms and conditions and does not shift or hedge any economic risk or secure a bet against our shares of common stock. As of the date of this proxy statement, Ms. Wainwright has pledged 2,700,000 shares of common stock against this indebtedness, representing 44.58% of her total holdings including options.

Stockholder Communications

Any stockholder or other interested party who wishes to communicate with our board of directors or any individual director may send written communications to our board of directors or such director c/o Corporate Secretary, The RealReal, Inc., 55 Francisco Street, Suite 600, San Francisco, CA 94133, or via email to ir@therealreal.com. The communication must include the stockholder's name, address and an indication that the person is our stockholder. In approving or rejecting the proposed transactions, our audit committee takes into account all of the relevant facts and circumstances available.

EXECUTIVE COMPENSATION

The following is a discussion and analysis of compensation arrangements of our named executive officers. As an “emerging growth company” as defined in the JOBS Act, we are not required to include a Compensation Discussion and Analysis section and have elected to comply with the scaled back disclosure requirements applicable to emerging growth companies.

Overview

Our executive compensation program is designed to attract, retain and reward executive officers in alignment with our business objectives and long-term stockholder interests. For 2019, the material elements of our executive compensation program were base salary, annual cash bonuses and equity-based compensation in the form of stock options and restricted stock units (“RSUs”). At risk, incentive-based compensation in the form of an annual cash bonus and equity-based compensation is a significant portion of the overall compensation paid to each executive officer.

In connection with our IPO, we engaged with Compensia, an independent executive compensation consultant. In 2019, Compensia assisted in an evaluation of our post-offering executive compensation program, which resulted in our introducing RSUs as a component of our equity-based compensation.

This section provides a discussion of the compensation paid or awarded to our Chief Executive Officer and our two other most highly compensated executive officers as of December 31, 2019. We refer to these individuals as our “named executive officers.”

For 2019, our named executive officers were:

- Julie Wainwright, Chief Executive Officer;
- Matt Gustke, Chief Financial Officer; and
- Rati Sahi Levesque, Chief Operating Officer.

Compensation of Named Executive Officers

Base Salary

Base salaries provide a level of fixed compensation sufficient to attract and retain a high-quality leadership team, when considered in combination with the other components of our executive compensation program. The relative levels of base salary for our named executive officers are established after considering market-competitive levels and are intended to reflect each executive officer’s scope of responsibility and accountability.

In 2019, the base salaries for Ms. Wainwright, Mr. Gustke and Ms. Levesque were set at \$365,000, \$325,000 and \$325,000, respectively. Base salary amounts for Ms. Wainwright and Mr. Gustke were unchanged from 2018, while the annual base salary for Ms. Levesque increased from \$295,000 to \$325,000 in connection with her promotion to Chief Operating Officer.

Please see the “Salary” column in the 2019 Summary Compensation Table for the base salary amounts received by each named executive officer in 2019.

Annual Cash Bonuses

Short-term incentive compensation is paid to executives through our annual cash bonus plan to support our pay-for-performance philosophy. Annual cash bonus compensation motivates and rewards executives based on their achievement of performance goals established by our board of directors at the beginning of each fiscal year.

The payment of awards under the 2019 annual cash bonus program applicable to the named executive officers was subject to the attainment of a number of goals relating to our performance. Specifically, as approved by the board of directors, 50% of the bonus was based on the attainment of GMV goals, 30% was based on gross margin goals and 20% was based on individual performance goals. Achievement of individual performance goals is based on the assessment of each individual's contributions to achieving business objectives established for the fiscal year.

Early in 2019, the board of directors established the bonus targets for Ms. Wainwright, Mr. Gustke and Ms. Levesque in the annual bonus program. Ms. Wainwright had a 2019 target bonus equal to 50% of base salary and Mr. Gustke and Ms. Levesque each had a bonus target equal to 40% of base salary. Based on our 2019 performance, the board of directors awarded payouts under our annual cash bonus program equal to, as a percentage of the named executive officer's target opportunity, 59%, 59% and 69% for Ms. Wainwright, Mr. Gustke and Ms. Levesque, respectively. Please see the "Non-Equity Incentive Compensation" column in the 2019 Summary Compensation Table for the amount of annual bonuses paid to Ms. Wainwright, Mr. Gustke and Ms. Levesque in 2019.

Equity Compensation

Equity compensation is a key component of our executive compensation program that is designed to further align the interests of our executive officers with the interests of our stockholders and maintain the focus of our leadership team on long-term performance. In 2019, equity compensation was provided in the form of stock options and RSUs, both of which are viewed as supporting our pay-for-performance philosophy as stock options have no value unless our stock price increases from the date of grant and the value of RSUs fluctuates directly with our stock price performance. The following table sets forth the grant date fair value of stock options and RSUs granted to the named executive officers during 2019, computed in accordance with ASC 718:

Named Executive Officer	Stock Options \$(1)	RSUs \$(2)
Julie Wainwright	2,018,998	2,479,000
Matt Gustke	403,804	495,800
Rati Sahi Levesque	807,597	991,600

(1) The options vest in 16 substantially equal quarterly installments, subject to the named executive officer's continuous service as of each vesting date and subject to acceleration upon certain events.

(2) The RSUs vest in 16 substantially equal quarterly installments, subject to the named executive officer's continuous service as of each vesting date and subject to acceleration upon certain events.

PROPOSAL TWO

RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2020

Our board of directors and the audit committee are asking our stockholders to ratify the appointment by the audit committee of KPMG LLP (“KPMG”), as the independent public accounting firm to conduct the audit of our financial statements for the fiscal year ending December 31, 2020. Stockholder ratification of such selection is not required by our Amended and Restated Bylaws or any other applicable legal requirement.

However, our board of directors is submitting the selection of KPMG to our stockholders for ratification as a matter of good corporate governance.

In the event our stockholders fail to ratify the selection, the audit committee will reconsider whether or not to continue to retain KPMG for the fiscal year ending December 31, 2020. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the audit committee believes that such a change should be made.

KPMG has audited our financial statements since 2013. A representative of KPMG is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate stockholder questions.

Principal Accountant Fees and Services

We were billed by KPMG in the years ended December 31, 2019 and 2018 as follows:

	Years Ended December 31,	
	2019	2018
Audit fees	\$ 2,688,655	\$ 959,100
Audit-related fees	—	—
Tax fees	—	—
All other fees	—	—
Total fees	<u>\$ 2,688,655</u>	<u>\$ 959,100</u>

Audit fees above are professional services associated with the annual audit of our financial statements, review of interim financial statements, and professional consultations with respect to accounting issues directly related to the financial statement audit. Fees in 2019 also consisted of professional services rendered in connection with the filing of our registration statements, including our Registration Statement on Form S-1 related to our IPO in June 2019. There are no Audit-related fees, Tax fees, or All other fees billed by KPMG in years ended December 31, 2019 and 2018.

Determination of Independence

In considering the nature of the services provided by our independent registered public accounting firm, the audit committee determined that such services are compatible with the provision of independent audit services. The audit committee discussed these services with our independent registered public accounting firm and our management to determine that they are permitted under the rules and regulations concerning auditor independence.

Additional information concerning the audit committee and its activities can be found in the following sections of this proxy statement: "Committee of the Board of Directors" and "Report of the Audit Committee."

Pre-Approval Policy

According to policies adopted by the audit committee and ratified by our board of directors, to ensure compliance with the SEC's rules regarding auditor independence, all audit and non-audit services to be provided by our independent registered public accounting firm must be pre-approved by the audit committee. The audit committee has established a general pre-approval policy for certain audit and non-audit services, up to a specified amount for each identified service that may be provided by the independent auditors.

The audit committee approved one hundred percent (100%) of all services provided by KPMG during the years ended December 31, 2019 and 2018. The audit committee has considered the nature and amount of the fees billed by KPMG and believes that the provision of the services for activities unrelated to the audit is compatible with maintaining KPMG's independence.

Recommendation of Our Board of Directors and Audit Committee

OUR BOARD OF DIRECTORS AND OUR AUDIT COMMITTEE UNANIMOUSLY RECOMMEND THAT OUR STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2020.

Report of the Audit Committee

The audit committee oversees our independent registered public accounting firm and assists our board of directors in fulfilling its oversight responsibilities on matters relating to the integrity of our financial statements, our compliance with legal and regulatory requirements and the independent registered public accounting firm's qualifications and independence by meeting regularly with the independent registered public accounting firm and financial management personnel. Management is responsible for the preparation, presentation and integrity of our financial statements.

In fulfilling its oversight responsibilities, the audit committee:

- reviewed and discussed our financial statements as of and for the fiscal year ended December 31, 2019 with management and KPMG;
- discussed with KPMG the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and the SEC;
- received the written disclosures and the letter from KPMG required by the applicable requirements of the Public Company Accounting Oversight Board; and
- discussed the independence of KPMG with that firm.

Based on the audit committee's review and discussions noted above, the audit committee recommended to our board of directors, and our board of directors approved, that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2019 for filing with the SEC. The audit committee also appointed KPMG as our independent registered public accounting firm for fiscal year ending December 31, 2020.
